

Thanks for purchasing the **Dart Starter Kit Lite**.

## 0) PREREQUISITES

### Events and delegates:

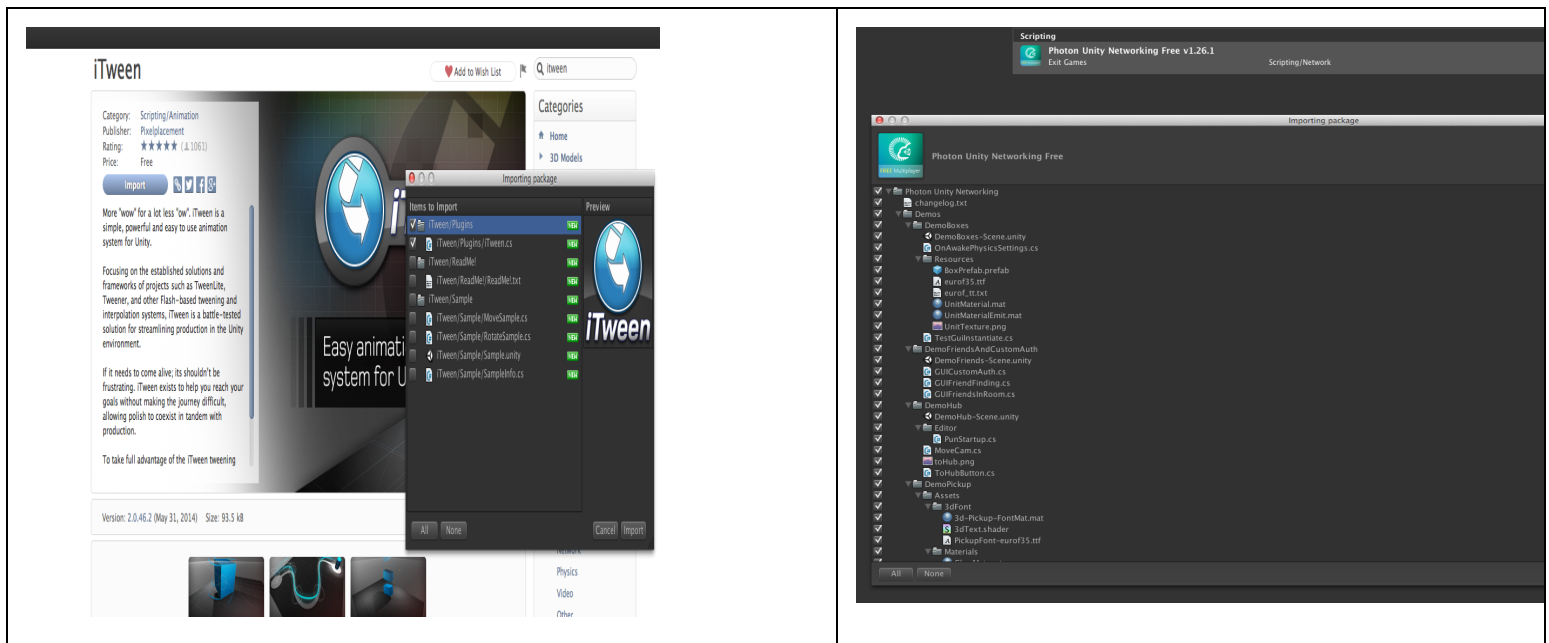

Please watch mike of prime31 fame tutorial on events and delegates, believe once you have watched and understood these concepts you will love it.

<https://www.youtube.com/watch?v=N2zdwKIsXJs>

Okay now that thats out of the way...

## 1) IMPORTING

First go to the asset store and import itween, and either photon unity networking free or Photon Pun+

## 2) Overview video -
